

## Mobile Software Engineer Intern

Remote / Somerville, MA

Founded in 2014, Owl Labs is one of the fastest-growing tech startups in Boston. The environment at Owl Labs has been shaped by the top tech, marketing, and sales talent leading it. We share a strong culture of support, learning, and collaboration. Embodying empathy for the remote worker or team, a love of emerging technology, and hustle and grit, the Owl Labs team is shaping the future of work every day. From leadership to our co-op interns, we encourage creativity, breaking the mold, moving fast to learn quickly, and then adapting. We are a culture of trying new things to stay ahead in the marketplace and embracing new ideas at every level. We embrace remote work every day with over 40% of employees working remotely (pre-COVID). The Meeting Owl products contribute directly to our company's success; it is at the core of who we are and what we do.

We're best known for the Meeting Owl product line, a smart 360° camera, mic, speaker all-in-one solution. Our award-winning product, the Meeting Owl Pro, has been recognized by CES Innovation Awards. We're best known for the Meeting Owl product line, a smart 360° camera, mic, speaker all-in-one solution. 2020, Red Dot Design Awards 2020, SXSW Innovation Awards 2020, and our team recognized as an Inc. Best Workplaces 2020 and the esteemed Inc.'s Editor's List.

### Interning at Owl Labs:

You will join us for a full-time, competitively paid internship for the summer of 2021. You will work with a small team of mobile engineers to implement real features used by the native mobile applications and robotics-inspired Meeting Owl. You will have an opportunity to work with a range from core application framework, optimizing Bluetooth Low-Energy connections, to User-Interface development. You are a good fit for this role if you have shown initiative in growing systems and can tell the story of what worked and what didn't work, and how you overcame technical limitations.

In this role, you will impact some of the company's most crucial product development goals as you develop the technology at the core of Owl Labs' groundbreaking products.

More than a candidate that checks every box, we're looking for people who are excited to work, learn, and grow at Owl Labs—no matter their background or how they identify. If that's you, we hope you'll apply for this role.

### During your internship, you will:

- You are ready to get first-hand software engineering knowledge working on real projects
- You are excited to build elegant user experiences that delight customers
- You enjoy working with native iOS and Android applications and problem-solving
- You are a collaborative, committed, dependable, and curious team player
- Bonus—You have exposure to or experience in Swift, Kotlin, or Java programming language

## What we're looking for:

- You are ready to get first-hand software engineering knowledge working on real projects
- You are excited to build elegant user experiences that delight customers
- You enjoy working with native iOS and Android applications and problem-solving
- You are a collaborative, committed, dependable, and curious team player
- Bonus—You have exposure to or experience in Swift, Kotlin, or Java programming language

## What we offer:

- **Option to Work Remotely:** We practice what we preach. Employees work at our Boston HQ, across the US, and often work a hybrid mix of in-office and remote.
- **Flexible Schedule:** We all work hard, so we believe in working whenever you're at your best.
- **Celebrate Inclusivity:** Owlers get important holidays, including International Women's Day, Indigenous People's Day, and MLK Day.
- **Incredible Team:** Learn alongside phenomenal folks from some of Boston's most successful tech companies

Owl Labs is an Equal Opportunity Employer committed to our values of embracing inclusivity and creating a culture where everyone feels respected and connected, no matter the location of their work environment. We invite applications from people of all walks of life and are committed to providing reasonable accommodations for candidates with disabilities in our recruiting process. If you need accommodations due to a disability, please let us know.
